

Thanks for Supporting such a Great Cause!

My beautiful wife has been suffering with Crohn's disease for many years now. The hardest part was actually diagnosing what the problem was.

Now that we know what the diagnosis is, hopefully we can find a cure for this terrible illness. I have joined the Changing Lives Challenge Team for 2011. I will be competing in the following events:

SMH Half Marathon, May 15

City to Surf Sunday, August 14

Blackmore's Half Marathon, September 18

Mudgee Half Marathon, August 21

Penrith Lap the Lake, October 1

I will be helping to raise funds in support of CCA and also be raising much needed awareness of IBD in the general community.

Please donate as much or as little as you can to help find a cure. Please visit my fundraising page to sponsor me: http://www.everydayhero.com.au/matthew_banks

****A few words from Matthew's wife, Aleisha:***

I would like to publicly thank my incredible husband for taking part in the Changing Lives Challenge. I feel so truly blessed, and deeply touched to have such an amazing man in my life. Matthew is my inspiration, and my 'every day hero'. I'm so proud of what he is doing for this important cause. Please support his fundraising efforts.
